

GIFTS IN KIND

THE SIMPLE WAY TO SPREAD KINDNESS

In-kind donations are a win-win for companies, nonprofits and the community. United Way collects in-kind donations and works with nonprofits across Pierce County, getting your donations directly to families in need. Whether, you're an individual, business or service group, you can change the story for local families with Gifts-In-Kind.

New material items or those in excellent condition, can be given in-kind. All donations will be used to benefit local nonprofit organizations, whose clients are in need of assistance.

A wide range of businesses who have contributed items include IKEA, Bed Bath & Beyond, The Men's Wearhouse and many other local retailers, as well as dedicated service organizations.

This is what Gifts In Kind is all about-- making people happy and comfortable, regardless of their situation. Today was a joyful day. The van was empty, yet I was filled with the sense of good things happening in our community. We are making a difference. – Karen, Gifts In Kind Donor

It may seem pretty basic, but having warm clothes, nice blankets and toys for my children fill me with hope. People care about my situation and are so kind to give some comfort to others. – Daniel, Recipient
