Thank you for your contribution through the United Way campaign. No goods or services were provided in exchange for this contribution. Please keep a copy of this form for your tax records. You will also need a copy of your pay stub, W-2 or other employer document showing the amount withheld if you give through payroll deduction. Consult your tax advisor for more information.

We refuse to let our children fail. The best way to create a thriving community is by making an early investment in our children and their families. What if we could break the cycle of poverty? Together, we can. By focusing on removing barriers from the time children are born and during their early academic careers as well as stabilizing their families. United Way believes by focusing your gift on these goals we can create a pathway to success for more children and families.

Build Strong Families: Increase the number of low-income families who have opportunities for a more stable home environment.

Ensure a Strong Start for Kids: Increase the number of low-income children ready for kindergarten.

Ensure Success in the Early Grades: Increase the number of low-income children reading at grade level by the end of third grade.

United Way of Pierce County brings people together to make a real difference in the issues the community cares about. We believe that change happens when communities work together. We unite government, community-service organizations, businesses and volunteers around a unified vision for our children and their families. An investment in United Way is an investment in improving our communities and when our community is strong, we all win.

It takes all of us working together to make real change because great things happen when we LIVE UNITED. Change starts here. Can we count you in?
