

Our Supporters

We are deeply touched and grateful to the incredible individuals, foundations, companies and organizations for their generous financial support to our Centennial Campaign “Creating Possibilities Together.” With deep respect and appreciation, United Way of Pierce County thanks you for giving us the opportunity to be a leader in bringing individuals, businesses and other nonprofits together in addressing the most pressing needs in Pierce County, such as poverty. We look forward to continuing to create possibilities together and building a vibrant, inclusive and supportive community where everyone has the opportunity to thrive—now and into the future.
