HOW CAN ACCESS PIERCE HELP ME?

Housing Navigation

Our Housing Solutions Navigator works with Pierce County Coordinated entry to divert families from the homeless system by providing light support for typically 30 days and secure their own housing solution.

Workforce Navigation

Our team can help job seekers by removing barriers to help customers navigate through the myriad of organizations to get to the right place for the services they need. We work with those who are actively seeking either employment or education services.

Family Resource Navigation

Family Resource Navigators support families with young children by identifying and bridging resource gaps, fostering connection, disrupting inequities and removing barriers.

Transportation Navigation

Our team helps navigate local transportation, providing rides for medical, employment, and other appointments. We also may provide rides through our Ride United partnership with Lyft.

Basic Needs Navigation

Access Pierce staff connect individuals and families to resources for essentials like food, housing, health care, and more by providing personalized guidance to help them access support quickly and effectively.
