

Growing Resilience In Tacoma

## WORKING BUT STILL STRUGGLING TO MAKE ENDS MEET?

Growing Resilience in Tacoma (GRIT) is a guaranteed income project that will provide 175 single-head-of-households with a \$500 cash gift each month for 12 months to help support struggling families. Participants will be randomly selected from a pool of qualified individuals.

**APPLICATION OPENS  
MARCH 1, 2024**

### Are you eligible?

- ✓ I am a single head of household with children (*under 18 years or under 22 years if the child has a disability*)
- ✓ Be a resident of one of the following zip codes: 98404, 98405, 98408, 98409, 98418, 98444, 98445
- ✓ Meet United Way's ALICE criteria (Asset-Limited, Income-Constrained while Employed)

### Why provide a guaranteed income?

Our social service agencies are working hard to support people, but we know current safety nets are not enough. Guaranteed income supports populations that are disproportionately affected by economic challenges. It is not a replacement for wages but rather a much-needed supplement for families.
